SUMMER'S HOTTEST ENTERTAINMENT

Dear Heat Fans,

For me, summer in Queensland is the best time of year. Warm weather, spending time outdoors, and I get to throw in the odd Big Bash League game too!

I have been lucky enough to play all around the world, and I can honestly say there is no better feeling than turning out for the Brisbane Heat with a stadium full of fans behind you.

This summer the BBL returns bigger and better than ever. With five games at the Gabba and two at Metricon Stadium on the Gold Coast, this season will be one to remember.

Our Match Day VIP team have plenty of great packages available for you and your friends, families, colleagues or clients to ensure you have the best seat in the house. Get in touch with us to secure your box, suite or function room.

The team and I hope to see you there!

Cheers,

Lynny
